WEEKLY CONSTRUCTION UPDATE

Last Updated: [11/02/2026]

WORK COMPLETED LAST WEEK

Last week, light pole foundations were installed between Damen Avenue and Marshfield Avenue. ADA ramps were removed and replaced at the southeast corners of Wolcott Avenue, Paulina Street, and Marshfield Avenue. The ADA ramp at the southeast corner of Wood Street was also removed. Concrete placement is now complete for all driveways between Damen Avenue and Wood Street.

SCHEDULED CONSTRUCTION ACTIVITIES

Week of: [11/02/2026]

This week, electrical conduit and a traffic signal foundation will be installed at the southeast corner of Wood Street, followed by placement of the ADA ramp. ADA ramps will also be removed and replaced at the southwest corners of Wolcott Avenue, Wood Street, and Paulina Street. Structural soil will be installed in the parkway adjacent to future tree pits, and PCC sidewalk will be placed in the parkway to close the remaining gaps.

UPCOMING / NEAR-FUTURE ACTIVITIES

Traffic control will be installed on the final block between Marshfield Avenue and Ashland Avenue, followed by sidewalk removal, electrical conduit installation, and sidewalk replacement.

Construction activities and locations are subject to change based on weather, field conditions, utility conflicts, and progress of preceding work.
